

THE BARBARA MCDOWELL AND GERALD S. HARTMAN FOUNDATION

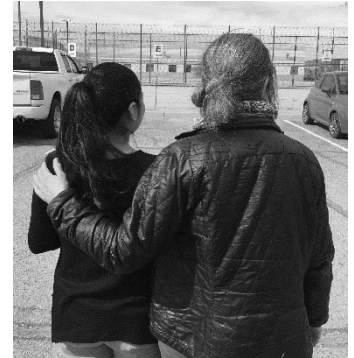

CASE FOR SUPPORT

SOCIAL JUSTICE THROUGH LEGAL ACTION

Mission

The Barbara McDowell Foundation's mission is to achieve social justice and to improve the economic well-being, social conditions, and civil liberties of disadvantaged persons and groups in the United States.

The Foundation fulfills its mission 1) by making grants to organizations that undertake systemic, social justice litigation and 2) by coordinating direct, pro bono litigation through its High Impact Litigation Project.

The Need

Nonprofit organizations representing our country's most vulnerable persons, **defending their rights, and championing their causes very often lack the necessary funds to pursue even the most egregious cases.**

In 2018, low-income Americans received inadequate or no legal help whatsoever for 86% of the civil legal problems they encountered because of a lack of resources (as reported by the Legal Services Corporation in *The Justice Gap: Measuring the Unmet Civil Legal Needs of Low-income Americans*).

This "justice gap" between legal needs and available services exacerbates our country's systemic inequities and disadvantages especially our most at-risk populations.

PEOPLE OF COLOR, WOMEN, IMMIGRANTS, THE ELDERLY, PEOPLE WITH DISABILITIES, AND LESBIAN, GAY, BISEXUAL, AND TRANSGENDER PEOPLE LIVE MORE FREQUENTLY IN POVERTY AND MORE OFTEN NEED LEGAL ASSISTANCE

Your gift to the Barbara McDowell Foundation helps fill this "justice gap," making vital financial resources available to nonprofit organizations which undertake social justice litigation.

Your financial contribution benefits a diverse array of constituent populations and impacts a wide variety of social justice causes. Cases we have funded include efforts to:

- ***Stop discriminatory policing practices***
- ***Ensure services to the disabled***
- ***End racial discrimination in jury selection***
- ***Provide adequate healthcare for female inmates***
- ***Ensure fair access to public benefits***
- ***Gain equal treatment for immigrants***
- ***Improve conditions for children in detention***
- ***Protect the voting rights of Native Americans***

Your Gift Matters

Each year, the Foundation receives many more grant requests than it can fulfill. With today's legal, political, and economic climate, a significant and growing need exists for grantmaking to support social justice litigation.

As one of the very few nationwide sources for social justice litigation grants, the Foundation is raising additional funds to allow it to donate more money to more grantees, creating even greater impact.
